Is a White Deer sighting guaranteed?	NO Deer Haven Park is not a zoo. We neither cage animals nor do we control their movement within the park. Therefore, we cannot guarantee our guests that they will see white deer.	NO (see Auto Tours) Bus Drivers and Tour Guides are familiar with certain locations where the herds like to frequent and make every attempt to locate white deer.	NO (see Regular Bus Tours) Private Bus Tours provide the best opportunity to see white deer, as we have more flexibility and an additional 30 minutes on the bus.
